Presidents report:

Teatowels fundraiser has been fantastic and so far we have sold 158. Excellent fundraiser. Beckz thanked Jodie for all her hard work in organizing this and putting all the kids photos together. They look amazing.

Pasta fundraiser was another good one with PTA earning \$386.80. We will definitely do this one again but needs to be pre-spring so in June/July and have ready for August. Also we have people ask to do the pies and croissants again so will run them all at the same time?

Blair Vining support campaign, we ended up buying a brick rather than a plaque and we topped up what the school mufti day had raised.

We received some amazing prizes for the dunk n duck so a list has been requested of who supplied donations to send out a thankyou note. Thanks to everyone who ran around collecting all of the donations. Your time was most appreciated.

Moved: Jodie Whitson-Morris
